

Koru Games 2019

Dear Parents,

This year we would like to participate in the 2019 Koru Games. The children have made their choices and based on these we would like to enter teams in badminton, lawn bowls, netball, hockey and basketball. The school has agreed to pay the entry fees to provide the opportunity for the children however we need an indication of parents who can help as coaches/managers and transport for these teams over the **3 days** of the tournament.

The event is to be held from the **17th - 19th September** at various venues around Lincoln. Times will be confirmed once entries close. Tuesday, 17th will start at 9am with an opening ceremony.

Can you please indicate below if your child can participate in this event, if you can assist with coaching and also with transport. It does not matter if you haven't coached these sports before as basic skills and supervision will be fine. If you cannot transport everyday or only one-way please indicate below. **If we cannot get enough support for coaching/managing and transport we will have to forego the opportunity.**

Kind regards,

Natasha Jenkins

I give permission for _____ to be involved in the Koru Games from the 17th - 19th September.
