Dear Parents and Caregivers

This is just a quick note to remind you that Team Whanau have swimming lessons next week except for Wednesday the 29th May, when the school will be closed.

This means that all Team Whanau students will be travelling by bus to the EA Networks swimming centre for swimming lessons. Every child will be put into an ability group for swimming and will have an experienced swimming coach supporting them to develop swimming and water safety skills.

Please just be aware that swimming groups are decided by the swimming coaches not the teachers. There will be two sessions one at 1:00pm and one at 1:30pm, depending on the groups your children have been placed in.

Students will leave school at 12:00pm and return to school to finish at the usual time. Please ensure that your child/ren bring their swimming gear everyday so that they can make the most of this opportunity.

Swimming lessons are paid for whether your child is there or not so please do your best to make sure they are there.

Contacts.

We are both available should you wish to contact us during business hours. We often have meetings so a little bit of notice would be appreciated.
